

Kentucky Department of Agriculture  
A Consumer Protection and Service Agency

**MEMORANDUM**

**TO:** VS Embargo Update  
**FROM:** Dr. Robert Stout   
**DATE:** September 27, 2005  
**SUBJECT:** VS Embargo – Idaho County Incl  
CO and WY - New County Each

Vesicular has been confirmed for the first time in 2005 affecting on a premise in Bear Lake County, Idaho. In addition to the first diagnosis being made in ID, vesicular stomatitis has also been diagnosed in 2005 for the first time in Alamosa County, Colorado and Platte County, Wyoming. Each of these three counties have been included in Kentucky's designated VS Embargoed Areas. Removed from the Embargoed Area during this period was Mesa and Ouray counties in Colorado, and Davis and San Juan counties in Utah. With these changes, 302 KAR 20:115 now prohibits the entry of all livestock, wild and exotic animals into Kentucky from the VS Embargoed portions of Colorado, Idaho, Montana, New Mexico, Wyoming and Utah as described below.

**ENTRY REQUIREMENTS - Embargoed Areas within VS Positive States**

All Livestock (including equine), wild and exotic animals are currently prohibited from entry into Kentucky from the designated areas defined to include the following counties:

**COLORADO:** Alamosa, Archuleta, Delta, Dolores, Hinsdale, La Plata, Moffat, Montezuma, Montrose, and Routt.

**IDAHO:** Bear Lake

**MONTANA:** Carbon, Rosebud, Stillwater and Yellowstone

**NEW MEXICO:** Rio Arriba, San Juan, and Taos

**UTAH:** Carbon, Duchesne, Emery, Grand, Salt Lake, Uintah and Weber

**WYOMING:** Big Horn, Converse, Fremont, Goshen, Hot Springs, Park, Platte, Sublette, Sweetwater, Uinta and Washakie

**Non-Embargoed Areas of VS Positive States Allowed Restricted Entry**

In addition to the entry requirements found in 302KAR20:040 - Entry into Kentucky, all livestock (including horses), wild and exotic animals originating from the non-embargoed areas of a state having confirmed cases of VS are **required to meet** the following conditions prior to entering Kentucky.

1. **Be tested** and found negative to VS using a USDA approved test with the sample collected during the 10 day period prior to the animal's arrival in Kentucky.
2. **Equine** from a non-embargoed area must be **tested using the C-Elisa Test with the sample collected during ten (10) day period prior to the animal's entry into Kentucky.**
3. Have an **entry permit** issued by this office recorded on the Certificate of Veterinary Inspection. Permits will be issued Monday through Friday 8:00am – 4:30pm EDT.
4. Be accompanied by a **Certificate of Veterinary Inspection indicating that examination of the animals occurred during the five (5) day period prior to arrival in Kentucky** and containing the following statement: "Animals represented on this CVI have not originated from a premise or area under quarantine or on which vesicular stomatitis has been diagnosed in the past thirty (30) days or from an embargoed area restricted from entry into Kentucky."

### States Bordering Designated Embargoed Areas

**There are currently no bordering states defined by the KY Dept of Agriculture**

**In addition** to the entry requirements found in 302KAR20:040 - Entry into Kentucky, all livestock (including horses), wild and exotic animals originating from a state which has a common border with a VS Embargoed Area are required to meet the following conditions prior to entering Kentucky.

- 1. Have an Entry Permit** issued by this office recorded on the Certificate of Veterinary Inspection. Permits will be issued Monday through Friday 8:00am – 4:30pm EDT.
  - 2. Be examined during the five (5) day period** prior to the animal's arrival in Kentucky with a Certificate of Veterinary Inspection completed by the examining veterinarian. The certificate shall have the following statement included: "Animals represented on this CVI have not originated from a premise or area under quarantine or on which vesicular stomatitis has been diagnosed in the past thirty (30) days or from an embargoed area restricted from entry into Kentucky."
- Equine entering Kentucky** from a state which has a common border with a VS Embargoed Area shall be accompanied upon their entry into Kentucky with a **negative test for VSV** (the Complement Fixation, Virus Neutralization and CELISA tests are accepted). The sampling shall be conducted during the ten (10) day period prior to the animal's entry into Kentucky.

#### Designated Embargoed Counties or Areas

**COLORADO:** Alamosa, Archuleta, Delta, Dolores, Hinsdale, La Plata, Moffat, Montezuma, Montrose, and Routt.

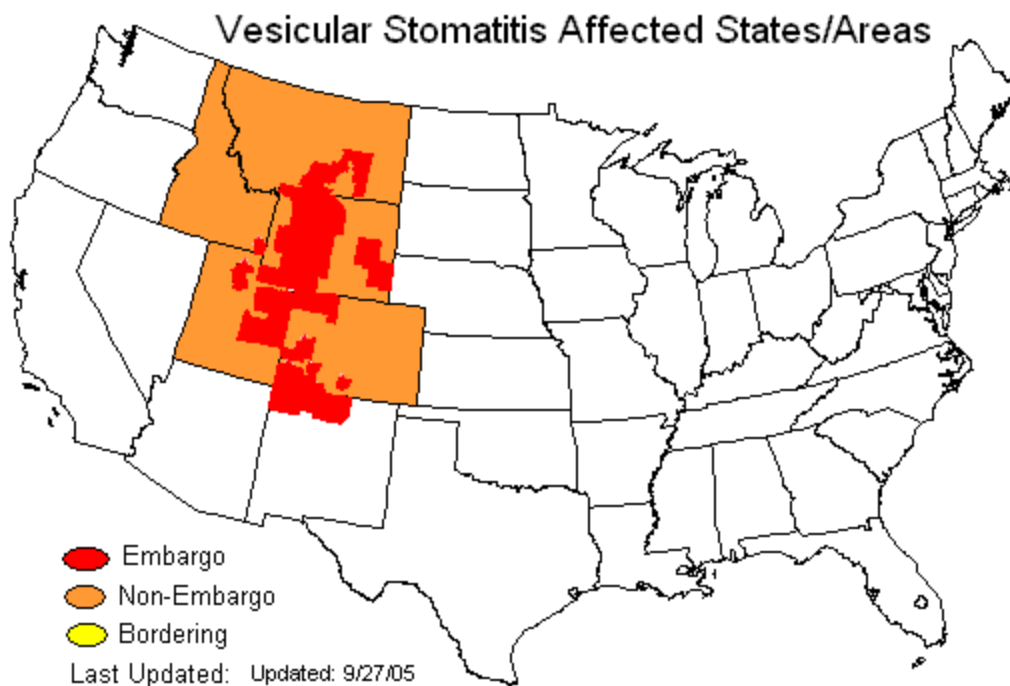

**IDAHO:** Bear Lake

**MONTANA:** Carbon, Rosebud, Stillwater and Yellowstone

**NEW MEXICO:** Rio Arriba, San Juan, and Taos

**UTAH:** Carbon, Duchesne, Emery, Grand, Salt Lake, Uintah and Weber

**WYOMING:** Big Horn, Converse, Fremont, Goshen, Hot Springs, Park, Platte, Sublette, Sweetwater, Uinta and Washakie

#### Designated Bordering Areas - None

Area Status	Species	CVI/Statements	Test Required	Entry Permit	KY Entry
VS Embargo	No livestock, wild or exotic animals permitted entry into Kentucky				
VS Non-Embargo	Equine	Yes – 5 Day	Yes – CELISA 10 Day	YES	YES
	Other	Yes – 5 Day	Yes – 10 Day	YES	YES
VS Bordering	Equine	Yes – 5 Day	Yes – Official Test 10 Day	YES	YES
	Other	Yes – 5 Day	No Testing Required	YES	YES
